I have a Curtis model 1213 speed controller and a 1203A ...

I have a Curtis model 1213 speed controller and a 1203A speed controller that may be bad. How can I test them and where can I find replacements. These controllers fit an E Z Play single seat golf cart that operates at 24 volts. These controllers came from a 1967 model cart made in England. I do not believe these controllers are being made anymore
