## Manual transmission making a weird noise, Honda Element ...

If you read the manual, they last longer. I'll call bullshit on your exaggerated feedback. I have a 2007 ford focus, 150k freedom units, that i've never changed the transmission fluid on it. I bet you, \$50 to a charity of your choosing, that when I replace the fluid, the transmission will run better. It'll take me all of 20 minutes.

## Honda Element transmission Problems

Honda Element Transmission Problems. See our lemon odds and nada odds page to see vehicles with no repairs or vehicles with more than three repairs. To see how frequently Honda Element problems occur, check out our car reliability stats.

## Special Notes on Honda Differential Noise

Honda Manual Transmission Tips; Automatic Transmissions. ... Diagnosing Noises in Your Car. Special Notes on Honda Differential Noise ... The reason I bring this up is because I have seen Honda differentials cause noise from time to time. Often the first thing I do in this situation is change the differential fluid.
