Retail Merchandising

Retail Merchandising refers to the various activities which contribute to the sale of products to the consumers for their end use. It helps in the attractive display of the products at the store in order to increase their sale.

Must

Merchandising—the promoting and sale of goods in a store—can become challenging, especially when some retailers such as independent shops don't know exactly what “merchandising” means in practice. If you don't have a clear working definition, it's tough to succeed at merchandising your store and turning a profit.
