## Treatment of Eating Disorders: Bridging the Research ...

"Treatment of Eating Disorders: Bridging the Research-Practice Gap" serves as an excellent resource for learning more from our colleagues 'across the aisle' and as part of the shared mission of improving treatments for eating disorders." --Academy of Eating Disorders Newsletter, December 2010.

## Examining the Research

What to look for in an eating disorders treatment method, and in a professional. Here are a few examples of the cautionary voices: • Psychologists Margo Maine, Douglas Bunnell and Beth Hartman McGilley have put together a book called Treatment of Eating Disorders: Bridging the Research Practice Gap.
