Uniden Grant XL

The Uniden Grant XL is my favorite within this series and finding one manufactured from the Philippines is even better yet! I only wish they were still made! There were many great CB radios made back in the 1980s and 90s, however this model was my favorite made by Uniden at the time.

President Grant II AM/FM/SSB CB Radio Overview

The President Grant II box is small (same size box as the Uniden 980) and inside you'll find the normal collection of gear - Radio, Microphone, Power Cord, Mounting Bracket/Hardware, and Manual. You'll notice the size immediately, it's a small compact radio and uses the same case as the Uniden 980 (Dimensions - 7 1/4 W x 2 1/4 H x 7 1/2 D).

RadioMods CB radio alignments Page

Go To RadioMods CB Radio Simulator software page. (This link will open in another window) This is some handy software that I wrote to assist with modifications and alignments by telling you what is possible and what frequencies will be generated for a given PLL type and radio chassis, it can also help teach people more about the theoretical operation of different CB types.
