Disklavier Pianos

In celebration of the 100th anniversary of Yamaha's very first piano, in 2000, Yamaha presented the world with a concept piano that demonstrated remarkable, future possibilities. The piano was called the Disklavier PRO 2000 and was built as a C7 (7' 6") piano with a Disklavier PRO system installed.

MX100

What makes Yamaha Disklavier so unique? The player systems are all factory installed with no modifications to the piano like retro fitted units. This provides better durability and reliability "for more use". This piano can even be upgraded with the latest technology in the DKC850 Control unit. Give us a call for more info. Yamaha Disklaviers have won numerous "Product of the Year" awards by MMR.
